

BIG SKY RELOCATIONS

Welcome Ambassador Program

Big Sky Relocations offer a value-add service to employers in the recruitment process, to help them attract out-of-town applicants & improve retention.

We provide personalised, local information, plus a variety of organisational & practical support services to individuals & families moving to Northern NSW.

WHY WE DO WHAT WE DO

Regional NSW needs dynamic, creative strategies to attract quality medical professionals =

Welcome Ambassador Program

Practical & personalised methods to address retention for a more sustainable workforce into the future =

Big Sky Relocation services

Successfully relocating staff to a new town is all about “stickability” = helping them (+partner/family) get settled quickly & easily & embeded in their new community

Tailored, practical support through local research, proactive organisational assistance & personal, responsive contact

All our Welcome Ambassador Program services have been specifically designed to reduce stress for both the relocating GP & their new practice.

Your new recruit will have their own personal cheerleader & concierge, welcoming them to town – offering the best possible odds of retention.
