

COVID-19 Vaccine Update #4: Allied Health Professionals

PHN EDUCATION SESSION

Please join us on Thursday 25th February 2021, for an update for Allied Health professionals on the COVID-19 vaccines soon to be rolled out for uptake across the nation. The session will be collaboratively presented by a HNECCPHN Executive Manager and an Allied Health professional representative.

The session will cover the following:

- Information about the vaccine rollout.
- Allied Health professionals working in primary care and the access to vaccinations for themselves and their teams.
- Allied health professionals working in residential aged care and access to vaccinations.

SPEAKERS: **John Baillie** (Executive Manager, HNECCPHN) and **Dr Trent Watson** (Dietitian and CEO Ethos Health, Board Member HNECCPHN)

WHO: **Allied Health Professionals**

WHEN: **Thursday 25th February 2021, 6.30pm – 7.30pm**

WHERE: **Online via GoToWebinar**
