

Diabetes Masterclass Series 2021

PHN/HNELHD EDUCATION SESSIONS

Please join us for these Diabetes Alliance Masterclasses. The Masterclass 2021 is for general practitioners, practice and community nurses, pharmacists, dietitians, exercise physiologists, psychologists, podiatrists and diabetes educators. The livestream sessions will be highly informative and interactive with case studies and opportunities for Questions & Answers. Sessions 9 & 11 below are being presented by HNE speakers.
