

# Preventing Suicide: A SafeSide Lunch & Learn for Primary Care Providers

## PHN EDUCATION SESSION

The PHN is partnering with SafeSide Prevention to train staff from Primary Care Practices in a hopeful, recovery-oriented approach to preventing suicide. The aim of SafeSide is to enhance patient safety and recovery and help primary care staff to connect and respond to patient suicide risk. Please join us for this informative session with opportunity for Q&A.

Following the webinar participants will:

1. Hear about the SafeSide suicide prevention framework
2. Understand how to conduct the video guided InPlace workshop within their practice
3. Learn how to participate in the monthly live office hours, and online Community of Practice forum
4. Know the next steps to register their practice as part of the PHN's Expression of Interest.
