Allied Health Professionals: Are you on HealthPathways?

PHN EDUCATION SESSION

Please join us for a webinar on Hunter New England and Central Coast HealthPathways. HealthPathways is a single source of credible, evidence informed, clinical information. This one hour session will explain the benefits of using the online platform and how it can support your service.

Come and find out how, by being involved in HealthPathways, your service's referral information is made available to primary care providers throughout the HNECC region.

In the session we will cover the following:

- Meet HNE and CC HealthPathways team members
- Understand the HealthPathways online platform, audience and added value
- Learn how to send feedback on the HealthPathways websites to get your service details added or updated on the sites
- Expectations of service providers in sending updates on their information listed on HealthPathways
- Learn about the companion Patientinfo websites for patients and the community
- Questions and answers

SPEAKERS: Erica Drew, Central Coast HealthPathways Manager, HNECCPHN
Evan Morris, HNE HealthPathways Officer, HNECCPHN

WHO: Allied Health Professionals (AHPs), AHP practice managers and staff

WHEN: Wednesday 15th February 2023, 6.30 pm – 7.30 pm

WHERE: Online via GoToWebinar
