

Primary Mental Health Services for Children (Under 12)

PHN EDUCATION SESSION

This session will provide information on the PHN's newly commissioned mental health services for children (under 12 years of age). Beam Health and Uniting will be delivering these services across the HNECC PHN region. The session will outline the referral pathways, eligibility criteria, program information / activities and practical case studies of children who may access the service.

SPEAKERS: **Kathleen Doolan - Educational & Developmental Psychologist (Beam Health)**

Kathleen is an Educational and Developmental Psychologist with several years' experience working with young people in Out of Home Care settings and providing behavioural support to individuals with complex behavioural needs. She uses a range of therapeutic modalities including Acceptance and Commitment Therapy (ACT) and Cognitive Behavioural Therapy (CBT).
