

715 Health Check

PHN EDUCATION SESSION

Join us for a webinar about the 715 Health Checks. Come along and learn if you are eligible, who can perform the health check and the different components of the health check. This webinar will also cover the importance of screening and early intervention, along with the follow up services available.

Learning Outcomes:

- Understand the components of an effective health check for First Nations People.
- Identify strategies to improve health checks in your own services
- Improve awareness of the importance of screening, early intervention and preventative health care tools.
- Increased awareness of cultural diversity when performing a 715 Health Check
- Follow up services
