

# Aged Care Reform & what it means for Allied Health - Keeping abreast of reform

## PHN EDUCATION SESSION

Join us to hear how the Australian National Aged Care Classification (AN-ACC) funding model will affect the provision of allied health services for older adults living in Residential Care from Scott Lynch. The AN-ACC is in effect from 1 October 2022 and this webinar will cover relevant actionable items.

Jodi Livesley will discuss the key dates related to reform changes for Home Care Packages and how to stay up to date. Time will be allocated for question and answer following the presentation component of the webinar.

**SPEAKERS:** **Scott Lynch** is the Founder and Managing Director at Community Therapy, a growing allied health company in NSW nearing 100 Allied Health Professionals and Health Care Administrators focused on supporting older adults & people living with disabilities.

**Jodi Livesley** is the Sector Support, Development and Training Officer for Commonwealth Home Support Providers across the Central Coast and Newcastle. She has more than 20 years' experience in developing people and communities, in health, local government and across the sector development role in community aged care over the past decade.

**WHO:** Residential Aged Care Managers and Funding Coordinators; Allied Health Professionals; General Practitioners and Practice Nurses.

**WHEN:** ~~Thursday 22<sup>nd</sup> September~~ Re-Scheduled to **Tues 20<sup>th</sup> Sep 2022 from 6:00pm to 7:00pm**
