PHN EDUCATION SESSION

Please join us for an information session on Hunter New England and Central Coast HealthPathways. This one hour session will provide an overview of the Health Pathways Programs and websites, explain how to use the websites and explain how Health Pathways can benefit your service.

Come and find out how, by being involved in HealthPathways, your services referral information can be communicated to Primary Care Clinicians through the HNECC PHN region.

In the session we will cover the following:

- Meet members of the HNE and CC HealthPathways teams
- Understand the HealthPathways websites, audience and added value
- Learn how to upload and update your referral information on HealthPathways
- Expectations of service providers in updating their referral information on HealthPathways
- Questions and Answers
