

# Australia on a Knife's Edge - Infection Prevention & Control

## PHN EDUCATION SESSION

Please join us for a presentation from our expert presenter, Margaret Jennings, Microbiologist and Infection Prevention & Control Educator, who will provide an update on the new COVID-19 variants, the vaccination program and practical precautions for General Practices.

The session will discuss the following topics:

- Staff screening for symptoms
- Waiting room management
- Appropriate ventilation in practice settings
- Use of masks and PPE
- Knowledge of infection prevention & control measures
