Annual Immunisation Update for Current and Non-Current Authorised Immunisers

PHN EDUCATION SESSION

The COVID-19 vaccination program involving participating General Practitioners and HNE health facilities will commence in the coming weeks. Nurses and authorised immunisers will fulfil a key role to help rollout the vaccine rapidly among priority groups, and ensure the vaccination uptake remains high.

This comprehensive 2021 Immunisation Update session is sufficient education for authorised nurse immuniser (once annual CPR is completed).

The Education Session will cover the following discussion topics:

- COVID-19 vaccination update
- Influenza disease and vaccines
- Cold chain management requirements
- Adverse event following immunisation reporting
- National Immunisation Program
- Anaphylaxis recognition & management
- 2021 school immunisation program
