# Creating longevity in your practice accreditation systems

PHN EDUCATION SESSION

Join us for this latest Mastermind presentation and learn how to better understand how to identify key systems within your practice which support your accreditation requirements.

Topics for discussion include:

- Identification of management systems within your practice
- Apply techniques to analyse and review practice systems
- Learn how to implement strategies and create a monitoring process to ensure longevity.

**SPEAKER:** **Michelle McDonnell**, (Program Manager, Quality Practice Accreditation) Michelle's role oversees the QPA general practice accreditation program and all related areas. She plays a key role in QPA's own accreditation journey with both ISQua and JAS-ANZ. Michelle has a background in corporate business as both Business Analyst and Auditor.

**WHO:** **General Practitioners, Practice Managers, Medical Practice Assistants, Nurses, Aboriginal Health Practitioners**

**WHEN:** **Wednesday 10<sup>th</sup> August 2022, 1.00 pm – 1.30 pm**
