

GP Registrar Training - all you need to know about the transition to college-led training!

PHN / RACGP / ACRRM
EDUCATION SESSION

In 2023, the Royal Australian College of General Practitioners (RACGP) and the Australian College of Rural and Remote Medicine (ACRRM) resumed responsibility for training the next generation of GPs.

Join us for an information session where some of the common questions will be answered:

- Which organisation does what role?
- Seeking clarification of different pathways?
- How can we become a training practice?
- What has transpired in the transition of the program for those previously accredited?
- What is the process for a Registrar to transfer location during a term?
- Supervision requirements of GP Registrars?
- How can Practice Managers support the new GP?
- Where can we find more information about the Registrar program?
