

Health-e Together Digital Care Assessment for Allied Health

PHN EDUCATION SESSION

Join the PHN on our guided walk-through webinar to support you to complete the Health - e Together Digital Care Assessment for Allied Health.

We would like to hear how you use digital health in your everyday operations and give you the opportunity to inform us how we can better support you, specific to your individual needs.

Why is the Digital Care Assessment important to Allied Health?

The PHN currently provides a range of digital health support to local Allied Health practices such as the digital health toolbox, telehealth support and resources, digital health grants, project work and advocacy in the digital space.

When is the survey available?

The Health-e Together Digital Care Assessment - 2023 opens on the 14 March 2023, at this time you will receive an email with a link to access the survey which is due to close on the 14 April 2023.

Complete the survey for your chance to win a \$1000 voucher from Brennan IT technical support specialists.

SPEAKERS: **Tim Blake, Managing Director Semantic Consulting.** Tim and the team have developed a way of measuring digital health maturity that allows PHNs to be more responsive to the needs of Allied Health by better understanding the current state and needs of your practice.

WHO: Allied Health private practice owners, Practice Managers or Administration staff. One person per practice is to complete the survey, with a specific focus on practices that deliver Occupational Therapy, Dietetics, Physiotherapy, Speech Pathology, Exercise Physiology and Podiatry services.
