

NEW ENGLAND/NORTH WEST WEBINAR

I Can't Breathe: What to do when you are Overwhelmed with Paediatric Respiratory Presentations

PHN EDUCATION SESSION

Are you being inundated with sick kids with respiratory distress?

Please join us for an update on managing respiratory illness in children in a rural context.

Learning outcomes:

- To increase the confidence in Primary Health Clinicians when assessing, treating & (if required) referring the child presenting with respiratory illness in the rural context.
- Identify initial management options in the infant with moderate to severe bronchiolitis

SPEAKERS: **Dr Miriam Growtowski** - (B.Med, FRACGP, Dip. Psychiatry, MMed(Dist.)) is a Tamworth- based GP and Chair of North West Health Professionals (NWHPN). Miriam has an interest in Medical Education and a passion for promoting the best care for patients across our region.

Dr Ellen Bugeja - Emergency Staff Specialist at Tamworth Rural Referral Hospital ED, EMET (Emergency Medicine Education and Training) lead for Mehi, Peel and Tablelands sectors

Dr Mel Pearson – Paediatrician, Tamworth Rural Referral Hospital

WHO: General Practitioners, Registrars & Nurses

WHEN: Wednesday 20th July 2022, 7.00pm – 8.30pm
