Improving Patient Care with your Health Assistants

PHN EDUCATION SESSION

Please join us for an information session showcasing the role of the newly formed Allied Health Assistants' National Association (AHANA), and describing the many benefits for practices in including an Allied Health Assistant as part of their care team.

SPEAKERS: **Andrew Richardson** – **Current** Director, AHANA, and Content Coordinator for TAHA (The Allied Health Academy). Andrew has worked within aged care and public health over the last 10 years and for 18 years within the healthcare sector.

Scott Lynch - founder and Managing Director of Community Therapy, a growing allied health company in NSW nearing 100 Allied Health Professionals and Health Care Administrators focused on supporting older adults & people living with disabilities.

Aimee Prosser - currently works as the Clinical Operations Manager for Recovery Station a multidisciplinary private practice providing clinical leadership for a diverse team of clinicians across the Hunter, Central Coast, and Sydney regions. Aimee is a member of the of the HNECC PHN Allied Health Reference Group & OT Australia NDIS National Reference Group. Aimee is passionate about achieving the best quality of life for her clients, and advocating for the role of allied health in disability and community care.

WHO: **Allied Health Practice owners, MDT / Allied health practice managers**

WHEN: **Tuesday 21 November 2023, 12.00pm – 1.00pm**

WHERE: **Online via MS Teams**
