# Medical Termination of Pregnancy (MTOPI) an Update & Practical Guide

PHN EDUCATION SESSION

Please join us for this update on MTOPI. We will cover abortion law, pregnancy options support, medications, procedures and then the follow up. There will also be case studies explored and time for Q&A.

## Learning Outcomes

1. Identify appropriate clients for medical abortion provision within Australia
2. Identify and apply the components involved in providing a medical abortion consultation and provision
3. Apply the legal framework of termination of pregnancy in NSW
4. Assess and manage common presentation(s) pre- and post-medical abortion, including complications
5. Implement appropriate follow-up after medical abortion
6. Facilitate contraception provision post medical abortion

**SPEAKERS:** **Dr Phoebe Walsh** completed a Medical Science degree at UNSW then an MBBS at the University of Sydney before moving back to Newcastle to complete her GP training. She undertook her DRANZCOG qualification at John Hunter Hospital and worked at Family Planning Australia for 7 years as a senior clinician and educator. She now runs a private GP Specialist Sexual and Reproductive Health Practice in Charlestown - Brightwell Health

**Dr Sarah Callister** is the Medical Lead for Education with Family Planning Australia. Sarah currently oversees all doctors' courses and is involved in teaching cervical screening, Implanon and IUD insertion. She works in clinic with Family Planning Australia at Newington, Penrith and an outreach post at Blacktown Women's and Girls Health Centre. Sarah is also an experienced GP having worked in Sydney's inner west for 15 years.
