Navigating the online Australian Immunisation Handbook

PHN/HNELHD EDUCATION SESSION

Please join us for an education session on navigating the online Australian Immunisation Handbook. This webinar will provide a guided tour of the Australian Immunisation Handbook with expert “tips and tricks” for using this resource to answer clinical questions. This session will also assist you with finding the information you need, to support your immunisation practice.

At the end of this webinar you will be able to find:

- the Australian Immunisation Handbook online
- immunisation recommendation by disease
- catch up vaccination recommendations
- recommendations on the minimum intervals between vaccines
- variations from product information
- immunisation recommendations for special risk groups
