

# Practice Incentive Program - General Practitioner Aged Care Access Incentive

## PHN EDUCATION SESSION

Join us for this Mastermind session in which we will discuss the implementation of the Practice Incentive Program and Payments when working with patients in residential aged care.

### Discussion topics for the session include:

- Practice Incentive Program – General Practitioner Aged Care Access Incentive
  - What it means for GP's
  - Who is eligible?
  - Payments and requirements
  - Eligible MBS items numbers
- Practice Incentive Payment for In-reach Residential Aged Care and Disability Support Worker Covid-19 vaccination
  - How will this work?
  - How is the payment provided?
- Shortages and challenges working in Residential Aged Care Facilities
- Innovative models of care and care co-ordination roles within RACF
