

Provider Connect Australia™

PRIMARY CARE INFORMATION SESSION

Provider Connect Australia (PCA™) is a brand-new service operated by the Australian Digital Health Agency that will change how you update information about healthcare services and practitioners, eliminating the need to keep multiple directories up-to-date manually.

In this online webinar, hear from Australian Digital Health Agency guest speaker, Julie Khoury, on how PCA™ can streamline the way you communicate your healthcare service updates to your business partners. By the end of this webinar, attendees will be able to:

- Identify benefits of using PCA™
- Outline steps required to register for PCA
- Describe how to use the PCA portal to make healthcare service updates
