Quality Improvement in Chronic Kidney Disease in General Practice

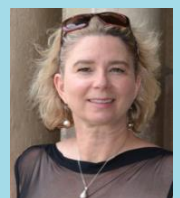

PHN EDUCATION SESSION
& KIDNEY HEALTH AUSTRALIA

This Mastermind session will assist General Practices in identifying procedures and practices to improve the management of their patients with Chronic Kidney Disease.

The presentation will focus on the following issues:

- Familiarity with Chronic Kidney Disease (CKD) Management in Primary Care Handbook, 4th edition, Kidney Health Australia (2020)
- Navigation of PenCS CAT4 Chronic Kidney Disease reports
- Application of continuous Chronic Kidney Disease Quality Improvement activities

SPEAKER: **Deborah Walganski** Primary Care Improvement Officer, HNECCPHN, Quality Improvement of Chronic Kidney Disease Subject Matter Expert

WHO: GPs, Practice Managers, Practice Nurses & Aboriginal Health Practitioners/Workers, and Allied Health Practitioners

WHEN: Tuesday, 7th March 2023

TIME: 1.00pm – 1.30pm
