

Supporting Patients with a Psychosocial Disability to apply for the NDIS

PHN EDUCATION SESSION

This webinar aims to improve support provided in primary care settings for people with a psychosocial disability to apply for NDIS. There will be a GP-focus but other health professionals are also welcome to attend.

Learning Outcomes:

- Use consultation time to support a patient with a psychosocial disability to apply for NDIS
- Identify and support hard to reach people to apply for NDIS
- Understand how to navigate HealthPathways to support a patient to access NDIS or relevant supports

SPEAKERS: **Tom Palmer** (ILC Project Officer, Uniting LAC NDIS Partner in the Community)

Rhiannon Brodie (Co-design and Engagement for National Disability Insurance Agency)

Dr. Marie Shieh (GP, Tanilba Bay Medical Centre)

Cheyenne Moody & Kirsten Noack (Psychosocial Liaison Officers, HNECC PHN)

WHO: **General Practitioners, Allied Health Professionals and Nurses**

WHEN: **Thursday 2nd June 2022, 6.00 pm – 7.30 pm**

WHERE: **Online via GoToWebinar**
