- Search for pathways in Disability Support and Mental Health
- **COVID-19 Initial Assessment and Management:**

9. For specific populations, follow advice in the:

- [CDNA Guidelines for Outbreaks in Residential Care Facilities](#)
- [NSW Health guidance for Preventing an Outbreak of COVID-19 and Other Respiratory Infections in Group Residential Settings](#)
- [Australian Government Department of Health – Supporting People with a Disability](#). For specialised advice, consider phoning the [COVID-19 Health Professionals National Disability Advisory Service](#) on **1800-131-330** between 7 am and 11 pm, 7 days.

See also: [NSW Health – Communities of Practice](#) and [Clinical Guidance and Resources](#).

- Consider joining the Community of Practice for GPs working with residents of RDCF
