GP/s, ACCHS or GPRC where there is NO local supply available commercially.	EMERGENCY PROVISION PPE	<ul style="list-style-type: none"> • P2/N95 Respirators • 1 Goggle or Face Shield • Gowns • Surgical masks • Hand Sanitiser 	(per PRACTICE) • 90 • 1 • 40 • 40 • 1 bottle	PER PRACTICE (as required)

Key Points:

The Living with COVID PPE Bundle is intended to supply **each practitioner** with **1 month supply** of PPE (equivalent to 40 patient visits).

Living with COVID PPE Bundle quantities are **multiplied** by the number of eligible practitioners you advise on your order.

Emergency Provision PPE orders are issued **per practice**, not per eligible practitioner.

The Department's advice for Face Shields / Eye protection issued under the Living with COVID PPE stream is they are **intended to be single use only**.

You can track your order using your customer order number that was emailed to you via the [DHL Website](#)

For enquiries orders not yet received, please contact the **dedicated DHL Customer Service Line 1300 279 498**

If you are not receiving confirmation emails from DHL for each order you place, please contact DHL using the above methods to check/update your information.
