- Saturday 29th & Sunday 30th January with follow up at 8 weeks-26th & 27th March.
- Sport UNE.
- Walk in. No bookings required.
- Medicare.
- Clinics 9am-4pm on both days.
- Entertainment for children and education and Q&A for parents.
- Nominated GP informed of the vaccination.
- Vaccinations will be entered on AIR within 7 days.
- Translators will be provided for the Ezidi community.
- St Johns will be asked to observe post vaccination.

Workforce needed!!!

- UNE Life would like to include primary care workforce in the vaccination days.
- GP's paid a flat rate of \$1000.00 per day.
- Nurse vaccinators will be paid \$56.00 per hour.
- Need approx. 15 clinical staff/day to be successful.
- Approximately 4-6 GP's and approximately 10 nurse vaccinators per day.
- Food, travel and accommodation will be provided.
- Must undertake appropriate childhood Pfizer vaccination training module.
- HNECPHN will provide financial support for the event.
- Any profit made by UNE will be reinvested to fund undertaking mass vaccination clinics in the smaller towns in the NENW region.

Planning clinics to other NENW towns for 5-11 year vaccines and boosters.

- UNE Life plans to offer mass vaccination services for childhood Pfizer and adult Pfizer boosters to other smaller towns in the NENW region if there is sufficient interest and GP support.
- Walk in, no booking booster clinic for adult Pfizer doses is planned in Armidale for Saturday 5th February.
 - If you or your staff wish to be involved in vax clinics, or wish to negotiate for a small town vaccination clinic, please contact:
- Mr David Schmude, Director UNE life: director.unelife@une.edu.au.
- Dr Maree Puxty: mpuxty@une.edu.au.
