

Better Health for the Bush

– Comprehensive Approach Rural Engagement (CARE) Model, Glen Innes

PROJECT BENEFICIARIES

The community of Glen Innes and surrounds.

Regional and Rural Communities.

IDENTIFIED REGIONAL HEALTH NEED

Equitable access to primary healthcare services.

PROJECT AIM

Under the Better Health for the Bush framework, to establish a CARE model Health Hub in Glen Innes with governance through a cooperative model.

2023/2024 PROJECT OBJECTIVES

1. Co-design Governance structure for cooperative in Glen Innes with community and key stakeholders.
2. Design service and operating model, including digital enablers for the Health Hub.
3. Identify and commission a Health Hub.

CLINICAL AND COMMUNITY GUIDANCE REQUIREMENTS

As part of this project we will be consulting with a number of advisory and reference groups.
