

# Workforce Regional Planning

## PROJECT BENEFICIARIES

All of region.

## IDENTIFIED REGIONAL HEALTH NEED

This project will have the ability to support all regional workforce needs.

## PROJECT AIM

The project aims to gather information and data to support locality (LGA) based General Practice workforce plans and develop a regional primary health workforce plan initially focusing on General Practices.

## 2023/2024 PROJECT OBJECTIVES

1. Recruit a 0.5 FTE project officer to support the development of a regional workforce plan.
2. Develop scope and parameters for locality and regional workforce plans.
3. Engage a consultant to support the development of a General Practitioner regional workforce plan.
4. Undertake consultations with stakeholders to develop a regional workforce plan initially focusing on General Practitioners at a n LGA level.
5. Develop a draft regional workforce plan based on LGA level and confirm findings and recommendations with key stakeholders.
6. Publish a regional work force plan based on LGA level plans.

## CLINICAL AND COMMUNITY GUIDANCE REQUIREMENTS

As part of this project we will be consulting with a number of Clinicians, advisory and reference groups.
