

International Commissioning Benchmarking

PROJECT AIM

This exercise identifies strengths, capability gaps, and priority areas for international commissioning excellence. It aids the organisation's journey towards excellence and benchmarking against global standards.

PROJECT BENEFICIARIES

- All of region
- Partners and Alliance stakeholders
- Commissioned Services
- Internal Board & staff

IDENTIFIED REGIONAL HEALTH NEED

This project will have the ability to support all regional health needs.

2023/2024 PROJECT OBJECTIVES

1. Perform a benchmarking exercise to compare HNECC's commissioning processes against international commissioning excellence. The exercise will identify gaps in HNECC commissioning processes and recommend enhancements that will allow HNECC to continue maturing as a commissioning organisation.
2. Develop a set of international commissioning benchmarks that align with the commissioning cycle that HNECC can use to support ongoing commissioning maturity.

CLINICAL AND COMMUNITY GUIDANCE REQUIREMENTS

Consultation with Clinical Councils and Community Advisory Committees.

PROJECT PARTNERS

- External consultant

RESPONDING TO WHICH STRATEGIC CHALLENGE

Demonstrate exceptional commissioning through leadership and performance.
