

# PHN Support for Wellbeing and Resilience

Erica Drew 26 April, 2021

WE ACKNOWLEDGE THE TRADITIONAL OWNERS & CUSTODIANS OF THE LAND THAT WE LIVE & WORK ON AS THE FIRST PEOPLE OF THIS COUNTRY

## GENERAL PRACTICE WELLBEING GRANTS

The PHN is offering General Practice the opportunity to receive a one-off small grant of \$200 to support activities or events that promote wellness, social connectedness and resilience amongst the general practice workforce. The funds can be used for a variety of initiatives, such as:

- Morning/afternoon tea to promote social connectedness in recognition of the hard work undertaken over the last 12 months
- Team activity such as yoga, tai chi, etc
- A team movie night
- Contribution to team dinner
- Hire of guest speaker to discuss wellness/resilience.

The PHN will provide a complimentary information resource that contains mental health, resilience, and wellness information to support events or initiatives.

To apply, complete the form at <a href="https://peoplebank.hneccphn.com.au/general-practice-wellbeing-grants/survey">https://peoplebank.hneccphn.com.au/general-practice-wellbeing-grants/survey</a> tools/wellbeing-grant-application-form.

General Practice Wellbeing Grants will close on 30th May 2021.

### MEMBER ASSISTANCE PROGRAM (MAP)

The PHN is continuing to fund its Member Assistance Program (MAP) and offer free access to confidential and complimentary counselling service to Allied Health providers and General Practices.

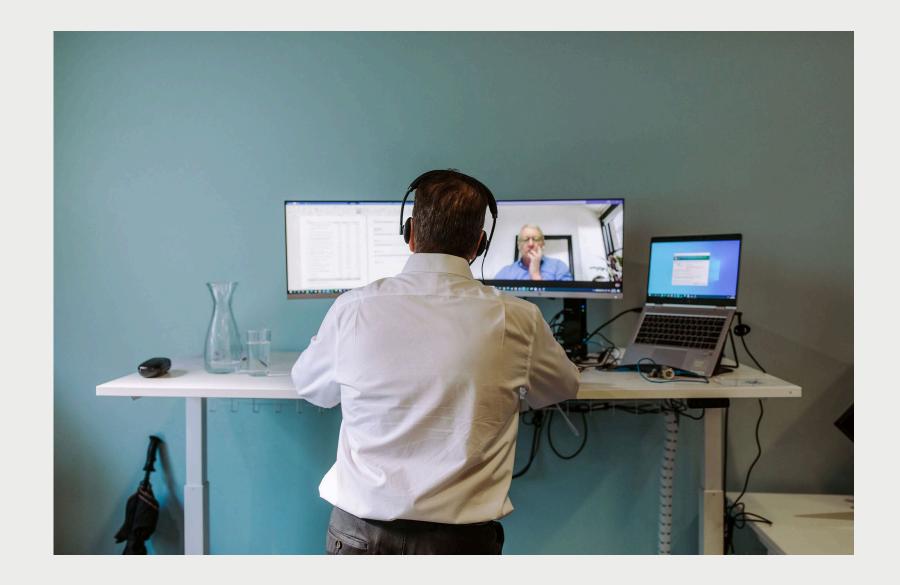

Employees from General Practices and Allied Health services in the Hunter, New England and Central Coast can access three (3) free, voluntary, confidential counselling sessions. Telehealth sessions are also available.

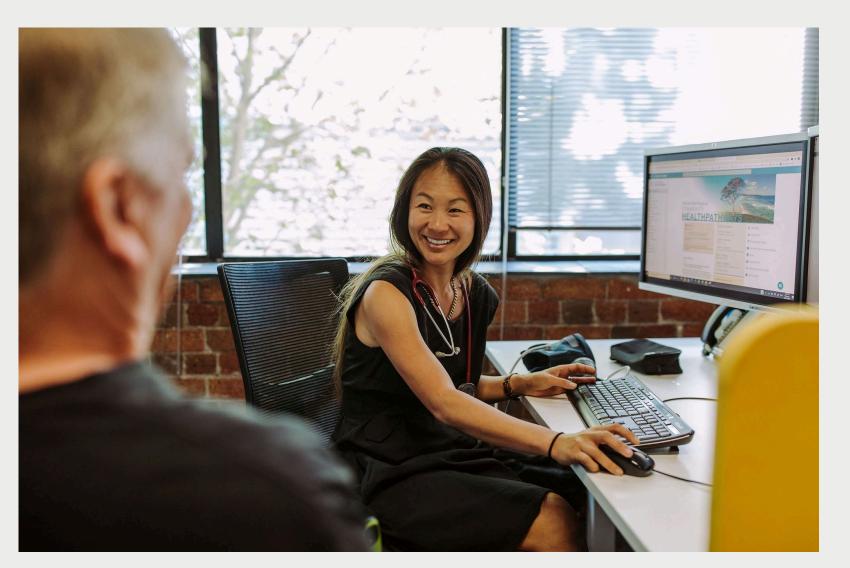

MAP can assist when personal, family or work related concerns are impacting on the health or quality of life and also when guidance is needed on professional or personal goals through professional and experienced counselling sessions.

To ensure personalised service, phone the dedicated Member Assistance Program number **1800 931 711** and advise them what business you belong to and that you are accessing the HNECCPHN account.

#### Download information brochure.

Confidentiality is assured and your name and organisation will not be disclosed to the PHN or your organisation.

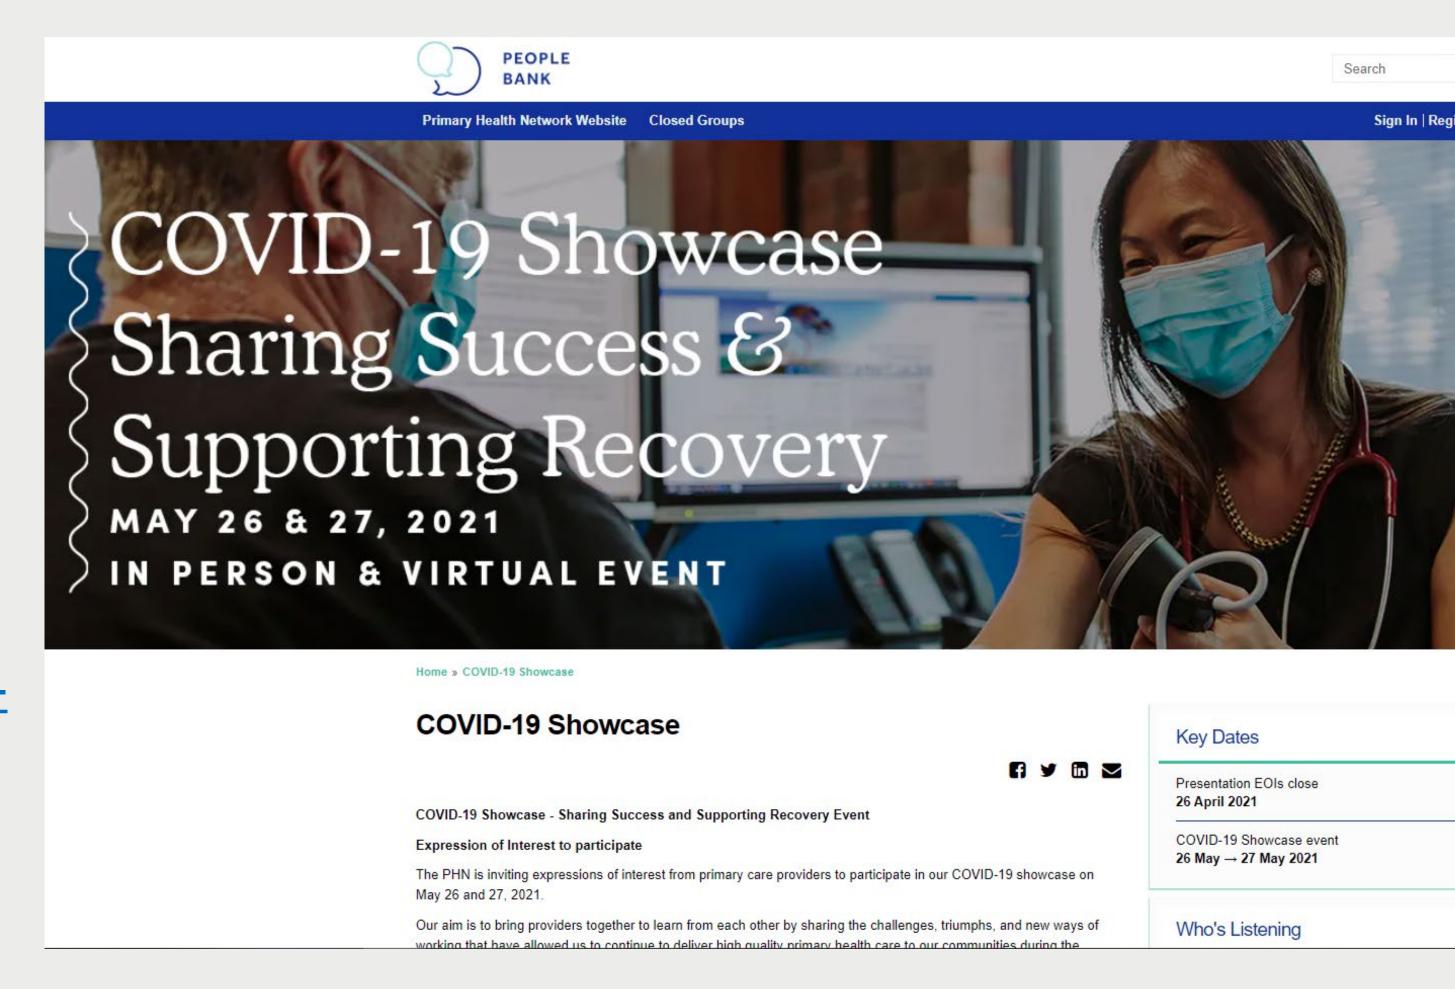

## CELEBRATING AND RECOGNISING YOUR SUCCESSES

**COVID-19 Showcase: Sharing Success and Supporting Recovery** 

The PHN is currently inviting expressions of interest to present at the upcoming COVID-19 Showcase event on 26th and 27th May.

Information and the EOI form are available at <a href="https://peoplebank.hneccphn.com.au/covid-19-showcase">https://peoplebank.hneccphn.com.au/covid-19-showcase</a>.

Submissions close this week.

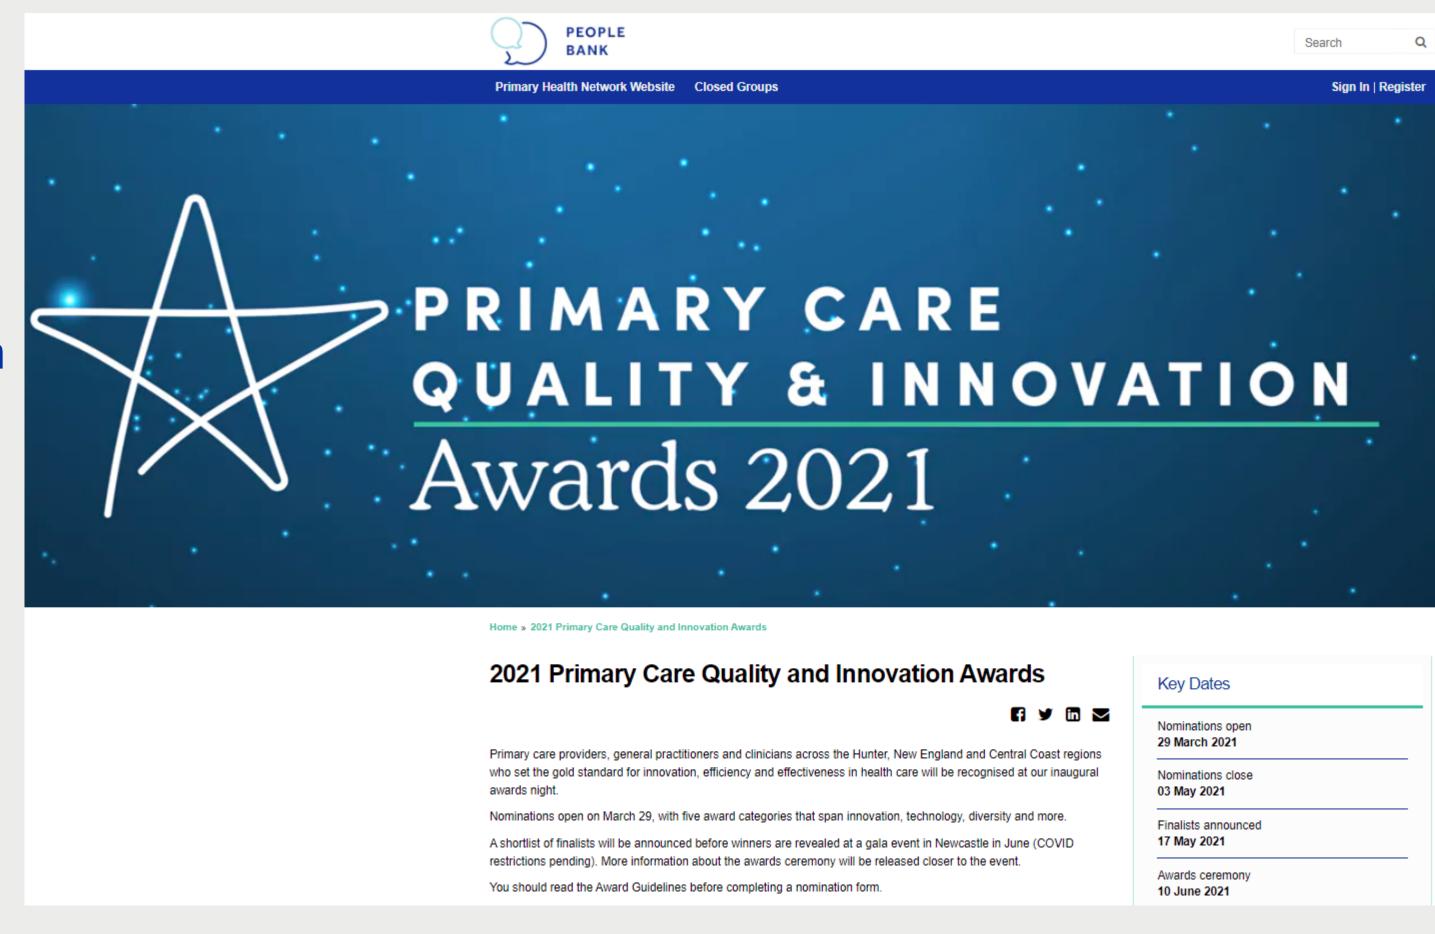

## CELEBRATING AND RECOGNISING YOUR SUCCESSES

#### **Primary Care Quality & Innovation Awards**

Submissions are currently being accepted by the PHN for the inaugural awards event on 10th June.

Information and the nomination form are available at

https://peoplebank.hneccphn.com.au/2021primary-care-awards.
