Learning objectives

- Provide practical tips to set up telehealth clinics
- Illustrate an example appointment day for a GP working remotely using the new telehealth MBS items
- Explore how your team can contribute and support successful telehealth clinics and GPs who are working remotely

Disclaimer

- Information current as at 9am, 2 April 2020
- Practices and practitioners are to use professional judgement for the services they provide and meet MBS eligibility requirements for compliance
- Email: askMBS@health.gov.au for any query's related to the interpretation of the MBS Schedule

COVID-19 Telehealth

Indicates specific advice about Aboriginal and Torres Strait Islander people.

Indicates information specific to people from culturally and linguistically diverse communities.

This page is about telehealth consultations during the COVID-19 pandemic.

See also:

- [COVID-19 Telehealth MBS Items News](#) 
- [COVID-19 Bulk Billed MBS Telehealth Services](#) 

Clinical editor's note

As of 30 March 2020, these MBS items have become general in nature and have no relation to diagnosing, treating, or suspecting COVID-19.

Assessment

[New temporary telehealth bulk billing item numbers](#)  have been created in response to the COVID-19 pandemic.

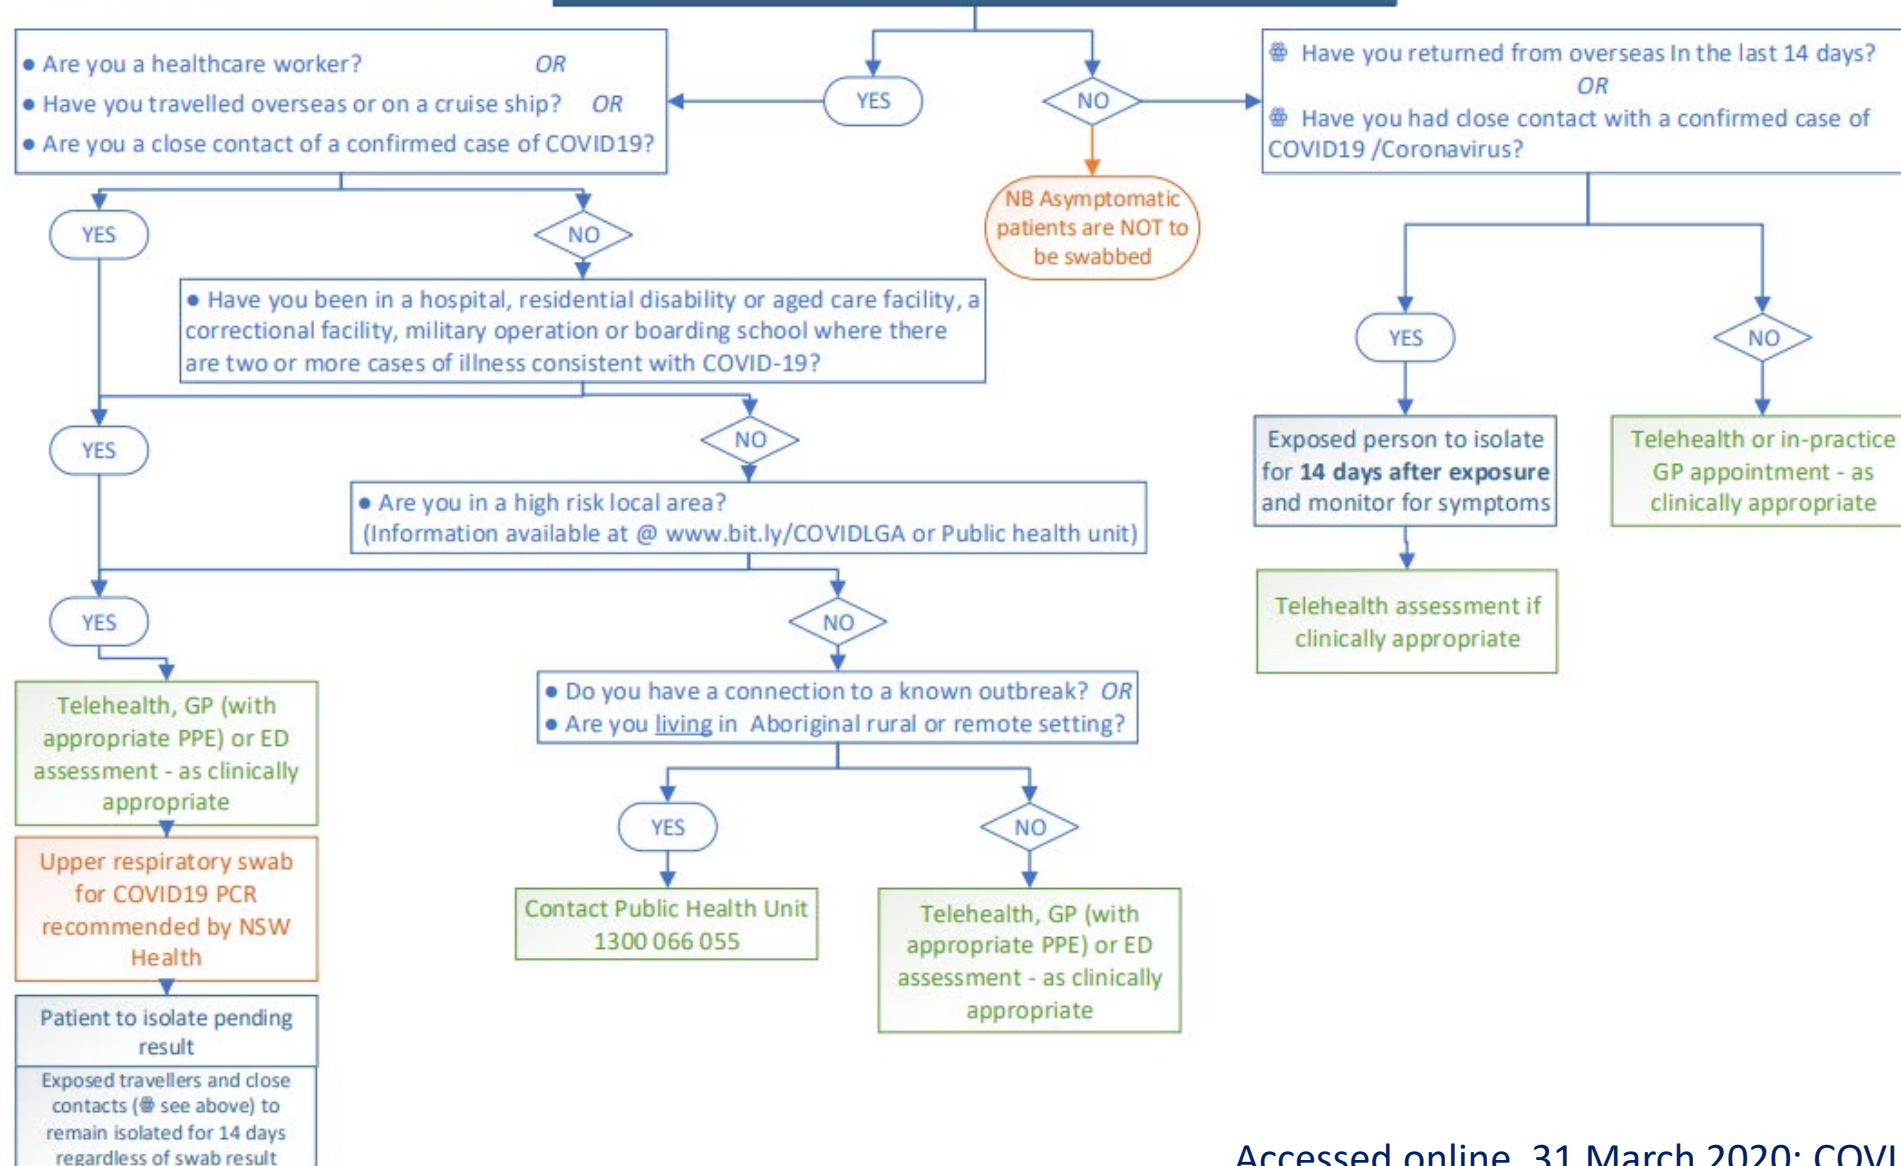

1. Determine eligibility. The new temporary MBS telehealth items are available to [providers of bulk billed tel](#)

Healthy People | Healthy Communities

**Have you had ANY of the following symptoms:
cough / breathlessness / fever / sore throat**

CALL 000 IF EMERGENCY
E.g. too breathless to speak
If uncertain, discuss with clinical staff

What consult options are available?

- No specific equipment is required to provide Medicare-compliant telehealth services
- Practitioners must ensure that their chosen telecommunications solution meets clinical requirements and satisfies privacy laws

Role: Practice Manager

- ✓ Allocate time in your calendar to check for updates on HealthPathways
- ✓ Organise daily morning meeting to communicate updates with all remote and onsite staff
- ✓ Contacting IT provider to arrange remote access
 - ❑ ensuring new technology meets security and privacy legislation, accreditation, governance, policy and procedures etc.
- ✓ Coordinate delivery and pick up of prescriptions and pathology paperwork to and from pharmacy, pathology and imaging premises and remote working site/s

Role: Practice Manager

- ✓ Obtain medical indemnity cover for remote site
- ✓ Checking clinicians are using a practice allocated phone, email address
- ✓ Organise an MBS Telehealth billing cheat sheet as a reference for the GP
- ✓ Set up SeNT e-referral (HNE only)
 - ✓ Ensure your GP has sent e-Referral installed on lap top and knows how to use it. If not, your friendly PCIO team can assist with his remotely.

Role: Reception

- ✓ Where receptionist is unsure if the patient needs to be seen sooner then put phone call through to Nurse to triage accordingly
- ✓ When booking patient for telehealth:
 - ☐ Obtain or check patient email address
 - ☐ Verify phone number/s and preferred phone number
 - ☐ Verify if the patient needs a support person to assist them
 - ☐ Provide an approximate time e.g. “Your appointment is scheduled for 1pm but please be available between 12:45 and 1:30pm.”
 - ☐ Ask patient to ensure phone is not on silent and on loud ring tone.

Role: GP (working remotely)

- Good lighting and professional surrounds
- Printer / fax / shredder with access to print/ scan back to practice
- Plain paper, prescription paper/pads, pathology referral paper, stamps and envelopes
- Two monitors (ideally one for consult and another for recording notes)
- Internet speed for visual and sound capability

Role: GP (working remotely)

- **Ask patient preferred pharmacy or pathology site** to fax or email prescriptions/ request
- **Liaison and coordination** with practice manager regarding original prescriptions and following up if information received
- **Obtain patient email consent** where possible, note verbal consent in the patient file
- **Patient identification** and protection of information

Role: GP (working remotely)

- **Using SeNT e-referral** (HNE only) for public referrals
 - installed and competent to use by 1 May 2020
- Practicing according to **current advice** (e.g utilise HealthPathways)
- Process to **store and collate paperwork**
