Immunise. Prevent. Protect.

IMMUNISATION CONFERENCE 2023

DINNER INVITATION

Please join us for a special conference dinner and an update on all things vaccines with our keynote speaker Professor Nicholas Wood (MBBS, MPH, FRACP, PhD) at the beautiful Crowne Plaza.

Nicholas Wood is a staff specialist general paediatrician and Professor in Clinical Vaccinology at the University of Sydney.

Discussion will focus on new vaccines that are being introduced to the national immunisation program and the continued recommendation of COVID 19 vaccination. The presentation will cover the key elements of the current national immunisation system; the safety & efficacy of new vaccines; mandatory reporting requirements for GPs around adverse events and discussing vaccine recommendations and safety concerns with patients.
