

Tamworth EMET Travelling Workshop

Narrabri Hospital

Wednesday 19th June 2024

Come join us for the day!

Meet some of our lovely FACEMs and workshop your way through some common challenges we all face in the delivery of emergency care.

It's a free face to face day with a focus on practical skills. We'll provide certificates of attendance to document towards your CPD requirements. Catering provided on the day.

Targeted at medical, nursing and paramedic staff working regionally but open to anyone with an ED/rural GP interest.

Workshop Topics include:

- Head Injury
- Toxicology
- Anaphylaxis
- STEMI and equivalents
- ALS
- Skills stations:
 - Plastering
 - Shoulder reduction techniques
 - Chest drain insertions
- Respiratory—Asthma
- Trauma

Program: 11am – 7pm

Cost: \$0

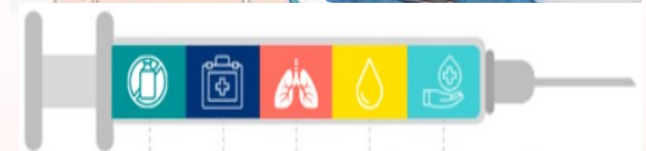

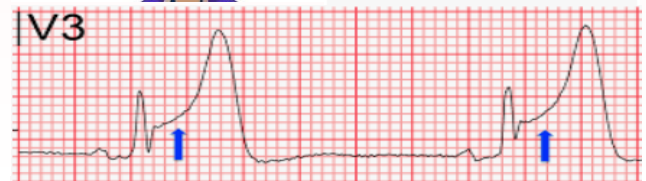

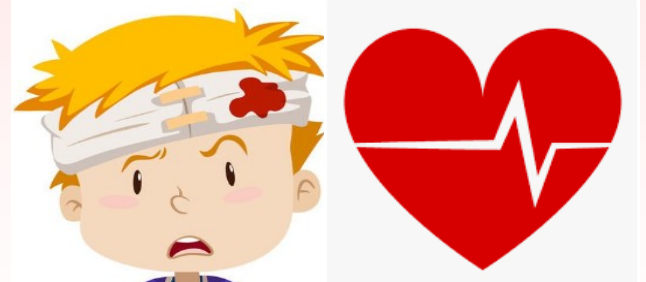

Eligibility: All medical practitioners, emergency department doctors and nurses, and paramedics.

Registration: Spaces will be limited so register your interest early.

We would love to see you on the day— spaces will be limited so please registered your interest early with Jamie Lee to

Jamie.Manttan@health.nsw.gov.au

or via phone (02) 6767 78457

Available workshops in other locations:

- TRRH Hospital 17th Oct 2024

We look forward to seeing you there!
