

# COVID-19 Vaccine Rollout

PHN EDUCATION SESSION

Please join us on Wednesday, January 27, 2021 for a session on the rollout of the COVID-19 vaccine.

The following topics will be covered:

- COVID-19 roadmap
- How to apply for General Practice participation in the vaccine rollout
- Accessing the application portal and the information you will need to apply
- The role of the PHN in the vaccination roll out and supporting General Practices in applying.
- Updated on the roll out to Residential Aged Care facilities
- Distribution of vaccines
- The role of GP Respiratory clinics and Aboriginal Medical Services
- PHN Nurse Immunisation Scholarships.
