

Incorporating LGBTQ+ Inclusive Practice into Aged Care eLearning

E - L E A R N I N G T R A I N I N G S E S S I O N

This training is designed for professionals working in the aged care sector or with older people, to learn more about LGBTQ+ seniors, their health needs, and inclusive care strategies. Comprised of 4 modules with interactive case studies, this eLearning covers a range of areas to increase your knowledge and confidence in working inclusively and respectfully with LGBTQ+ seniors.

Learning Outcomes

1. Develop a greater understanding of the LGBTQ+ acronym, people, communities, and history
2. Develop awareness around the unique general and mental health and wellbeing issues faced by LGBTQ+ seniors
3. Review current legislation supporting and related to LGBTQ+ seniors
4. Outline industry best-practice standards and inclusive practice related to LGBTQ+ seniors
5. Improve care outcomes through stronger interactions with LGBTQ+ seniors

WHO: All people working with senior Australians in aged care, including aged care staff and other professions

WHERE: Online. Duration of eLearning training module is 45-60 minutes.
