

Welcome ...

... why are we doing this for a 5th time ...

... and why can't we see dolphins & whales?

WHO ORGANISES THIS AND WHO IS HERE?

Thanks to the NSW/ACT Commissioning Network, and the committed organising committee ...

Thanks to the Rebbeck team ...

... And thanks to you – our largest group yet (150 from all except three PHNs)

We received 60 EOIs from PHNs to present (a 50% increase from 2022), and each PHN that submitted an EOI has at least one verbal presentation in the agenda.

WHAT NATIONAL WORK DID LAST YEAR'S SHOWCASE HELP TO INITIATE?

The development of a national PHN Shared Outcome Measures Framework

A National PHN Commissioning Review

Similarly, the 2023 Hewitt Review of Integrated Care systems in the UK recommended the development and distribution of a shared outcomes framework.

WHAT IS THE NATIONAL COMMISSIONING REVIEW ABOUT?

The primary goal of this project is to enhance commissioning practices by addressing unwarranted variability, eliminating duplication, and streamlining inefficiencies in the commissioning process, while also identifying opportunities for better alignment.

Sharing of

knowledge,

content,

and systems

Growing through

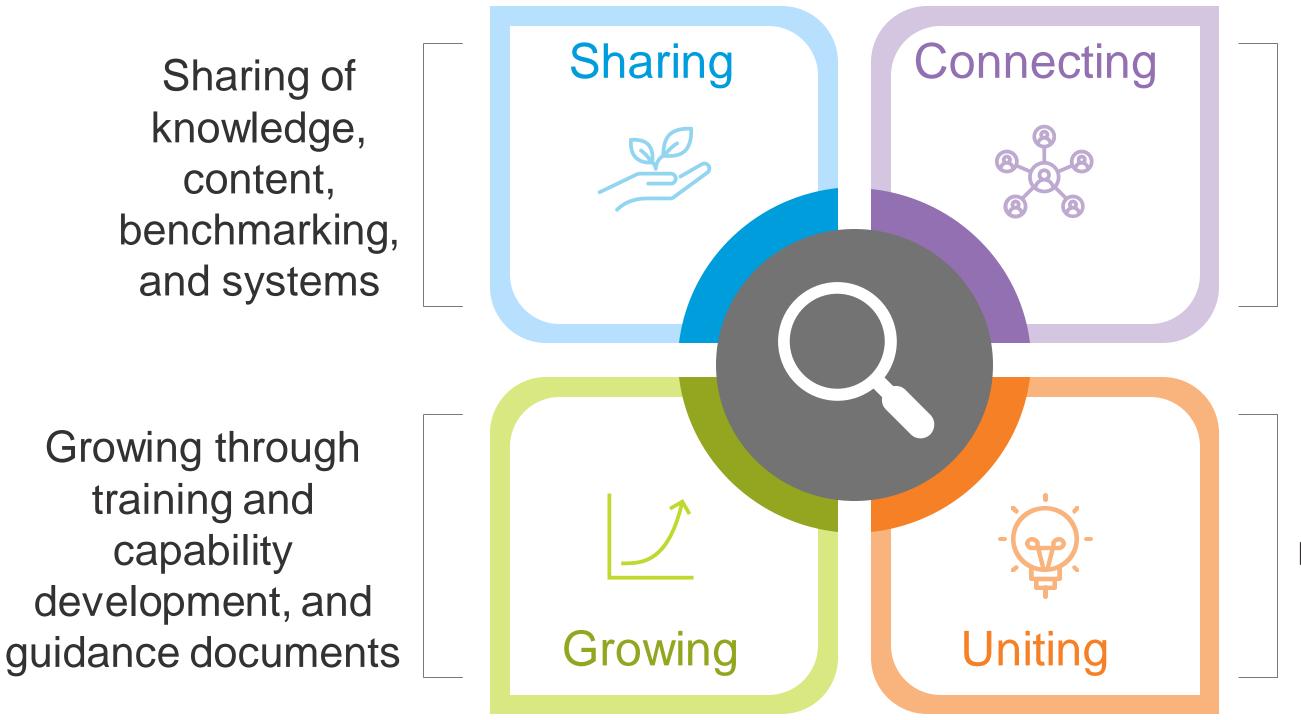

training and

capability

development, and

This is a partnered project between the national PHN Cooperative and the Department of Health & Aged Care, with Grosvenor engaged as a consultancy.

Opportunities were identified across four areas:

Connecting through communities of practice, events, and newsletters

Uniting through submissions, responses, thought leadership and research

WHERE IS THE NATIONAL COMMISSIONING REVIEW UP TO?

Your contribution is essential for the success of this project, and we want to thank you in advance for your valuable time and input.

There are four different ways in which PHNs can provide their input and share their successes across the course of this project.
