SPEAKER

ASSOCIATE PROFESSOR DENIS CRIMMINS

Associate Professor Denis Crimmins has been a neurologist on the Central Coast for the past 30 years.

He was the founding neurologist and Head of Department for many years at Gosford Hospital, and the Chairman of NSW Stroke Service.

He is currently a co-director of Central Coast Neurosciences Research.

SPEAKER

DR ANNA SCHUTZ

Dr Anna Schutz is a Neurologist and Neurophysiologist specialising in neuromuscular neurology. She has also had sub-specialty training in multiple sclerosis, stroke, epilepsy, Botox administration for migraine, spasticity, and tremor, and functional neurological disorders. She is involved in research into the treatment of Motor Neurone Disease and Alzheimer's Disease.
